

Stay safe during all types of emergency events

Your safety is our top concern. That's why **Bibb County Emergency Management Agency** wants to make sure you know about emergencies and incidents as they happen. By opting into the **BIBB ALERT** emergency notification system you'll be informed before, during, and after incidents that could impact your safety.

The **BIBB ALERT** emergency notification system, powered by Everbridge, will allow us to send you messages about situations as they happen across multiple devices, including your home phone, mobile device, email, and more.

For this system to be a success, we need your contact information so we can reach you in the event of an Emergency. Below are the options you have for opting into the program.
